

Cold water high pressure washers

BENZ

Standard accessories

LCPR40013
Extension P70

TBAP25324
Flexible hose 10 m

IPPR89429
Handgrip

UGLN49990
Nozzle for lance

Optional accessories

RCIN10810
Hose couplings

LCPR24906
Lance with double nozzle holder

LCPR29360
Mudguard lance

LCPR14858
Sandblaster kit

KTRI37674
Hose reel

TBAP23853 (10 m)
TBAP24406 (20 m)
Flexible hose

LCPR12891 (30 cm)
LCPR12982 (50 cm)
LCPR12983 (70 cm)
Double lance

Features

- Multipurpose valve: Easy Start (to start the motor effortlessly), Thermostatic valve (to protect the pump from possible overheating), By Pass, Pressure regulation (to adjust pressure to the surface)
- 280 mm dia. wheels
- Thermostatic valve
- H.P. crankshaft pump with brass head and ceramic pistons
- Petrol motors, Honda GX series, aircooled
- 4-stroke overhead valves, manual start and low oil sensor
- Grab bar and tubular steel bumper with rests for lance or gun
- Steel supporting structure designed to absorb all motor vibrations
- Pressure adjustment
- Low pressure detergent delivery with control on lance

Multipurpose valve.

The HS has a themostatic valve to protect the pump from possible ovehating of the water.

Honda GX air-cooled 4-stroke petrol engines with overhead valves.

Code	Model	Remote control	Pressure (bar)	Flow rate (l/h)	Motor type	Absorbed power (kW)	Motor (HP)	RPM	Detergent tank (l)	Weight (kg)	Dimensions (cm)
IDAF40352	BENZ-C H1811 Pi P	By Pass	30-180	330-660	GX 200	-	6.5	3600	-	47	86x56x54
