

Cold water high pressure washers

PW-C80

Standard accessories

TBAP25324
H.P. flexible hose 10 m

IPPR40010
Trigger gun swivel joint

LCPR12976
Extension P70

LCLC42786 (IDAF40525)
Lance

IPIP40010 (IDAF40525)
Handgrip

UGLN49986 (IDAF40278)
UGLN02299 (IDAF40276)
UGLN40002 (IDAF40525)
Nozzle for lance

Optional accessories

LCPR24906
Lance with double
nozzle holder

TBAP16654 (15 m)
TBAP16655 (20 m)
Flexible hose

LCPR29360
Mudguard lance

SPID24911
Hydro-brush lance

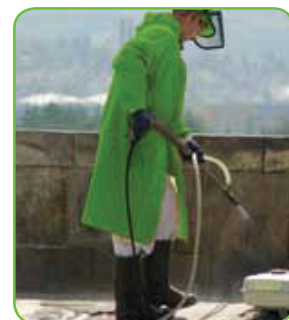

KTRI37674
Hose reel kit

LCPR24937
Foam head

Features

- Asynchronous motor, continuous duty, 1400 rpm. Guarantees the mechanical components a long and maintenance free working life. Protected with thermal cutout
- Sturdy painted steel frame with stainless steel protection
- Pump-motor connection with anti-vibration coupling for low vibrations, improves the reliability and working life of all mechanical components
- Provided with lance holder
- Steel load-bearing structure designed to absorb all vibrations generated by the machine
- Easy access to all internal compartment to simplify maintenance

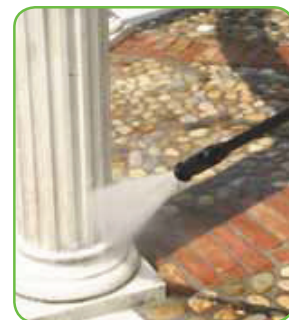

ON/OFF knob.

Two large diameter treaded wheels, ideal for moving the machine on all types of surface.

Easy handling on every kind of surface thanks to excellent weight distribution and ergonomic handle.

Code	Model	Remote control	Pressure (bar)	Flow rate (l/h)	Voltage (Ph-V-Hz)	Absorbed power (kW)	Motor (HP)	RPM	Detergent tank (l)	Weight (kg)	Dimensions (cm)
